

THE GAZETTE.

TUESDAY EVENING, JULY 2.

GRAIN IN EUROPE.—The London Mercantile Gazette surveys the various grain countries of Europe, to ascertain the prospect of future supplies. In England all looks well, and no deficiency is apprehended. In Paris the stock of flour is the largest ever held, amounting to 800,000 cwt. Considerable shipments are making to England direct from France, but the United Kingdom is mainly dependent on the Black Sea ports. The last harvest in the South of Russia having been very abundant, the exports from that quarter are expected to reach two million quarters. The conclusion is that scarcity is out of the question.

WILD ANIMALS IN HAMPSHIRE COUNTY, VA.—The number of wild animals destroyed during the past year in this County, foot up as follows: Old gray Foxes, 161; old red do 131; young gray, 9, and young red, 1—total 412. Wolves, 8, and Wild Cats, 4. The premium on an old gray Fox scalp is 50 cts.; on an old red, \$1.00; on a young gray, 25 cts.; on a young red, 50 cts.; on a Wolf, \$5.00, and a Wild Cat, \$1.50. Total premiums \$315.25. It will be seen from the proceedings of the Board of Supervisors in another column, that the premium is increased to \$20 on a full grown Wolf and to \$10 on a young one.—*Romney Intelligencer.*

A FISH STORY.—We are informed that for many years past, in a deep hole in the Kanawha River, near Newark, in Wirt County, there has been annually caught two immense cat-fish, weighing from forty to eighty pounds each.—The circumstance is made more extraordinary from the fact that no more than two fish are ever caught in the same place, and they are of the same kind and of the largest proportions.—*Parkersburg Gazette, June 28.*
